PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED UNAVOIDABLY UNDER 37 CFR 1.137(a)

3. Terminal disclaimer with disclaimer fee

- ☐ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.
- ☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. An adequate showing of the cause of the delay, and that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(a) was unavoidable, is enclosed.

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

1. I am the first and primary inventor. Due to a surgery I was in disability for an extended period of time (see attached payments of disability by insurance company). I had a life-threatening reaction to the surgery that required that I be rushed to the hospital.
2. There are pending claims allowed in the Board Decision rendered on April 28, 2008. Our attorney of record at the time emailed me on June 2, 2008: The case will be returned to the examiner and we should receive an Office action to amend the allowed claims but that is somewhere in the future." We never received any such office action.
3. On June 23, 2008 the attorney of record filed a request to withdraw as attorney or agent of record. The attorney stated that "You have failed to pay one or more bills". This reason is misleading as our understanding is for a fixed-fee arrangement after the patent process is completed. I was therefore surprised that the USPTO approved on 9/8/2008 the attorney's request to withdraw as our attorney without giving us the opportunity to respond or consider our evidence.

Given the above unavoidable circumstances, we would appreciate if the Notice of Abandonment may be withdrawn and the patent application filed on January 9, 2001 is revived soon. Thank you for your consideration.

(Please attach additional sheets if additional space is needed.)

Dear Chetan:

I am sorry to hear about your surgery and hope you are doing well.

In the appeal the examiner's rejection of claims 1, 2, 6-10 and 15-20 was upheld and the Board of Appeals rejected claims 7-10, 19 and 20 on a new ground. Rehearing of these decisions must be instituted by 06/28/2008 and it is not possible to obtain an extension.

* [The case will be returned to the examiner and we should receive an Office action to
amend the allowed claims but that is somewhere in the future.] *

I would be happy to meet with you when you return, but I cannot do more work on the file or incur any additional expense unless we receive payment for the work that we have already done. I can provide you with wire transfer instructions. We will consider a payment plan but we must have an initial payment before doing more work.

Please let me have your earliest reply.

Regards,

Tim A. Long
